

BCT Scholarship Application Process

Beaver Creek Cooperative Telephone Company maintains a scholarship fund for the benefit of its members and their families. The purpose, of which, is to recognize and provide financial assistance to students pursuing an education in any degree at an accredited four-year college or university, a community college, or a trade/technical school.

This scholarship fund is subject to the following rules and regulations:

- The eligible candidate must be a Beaver Creek Cooperative Telephone Company member or an immediate family member legally residing in the member household on the date of the initial award of scholarship.
- High school candidates must have a cumulative 3.0 ("B") average or higher. College candidates must maintain a cumulative 2.5 ("C+") average or higher while carrying 12 credits. A complete transcript must be presented with the submission of this application; it does not need to be official.
- Selection of finalists will be made by a committee of BCT employees. Finalists must be available to meet with the Board of Directors on a Saturday morning scheduled in April; previous award winners have the option to meet via Zoom.
- Awards are payable in equal quarterly or semester increments as determined by the student's plan of study. Payment of the current portion of the scholarship will be made directly to the college upon submission of verified registration and enrolled credits at an approved school along with a transcript copy for a returning student.
- Termination of the student's school program will result in the cancellation of the award and any remaining funds will not be disbursed.
- Application must be on the official BCT application form; previous winners may simply submit an update of their experience and changes that have occurred during the past year. The application can be found at www.bctelco.com under the community tab or it can be picked up at the business office located at 15223 S Henrici Rd, Oregon City, OR.
